Our Clients say...

Who better to tell you about the quality of the in-home care we provide than our Clients:

- "Some people might find me demanding. I'd say I'm particular. I'm very detail oriented. Eldercare Home Health has been terrific. The care they've been providing for my friend Audry has been exceptional. I continue to be amazed by the genuine interest and joy the caregivers bring to their work. I would definitely recommend Eldercare Home Health as the caregiver of choice for seniors and their families."
G. Bell, Power of Attorney.

- "Eldercare Home Health helped make it possible for our family to be together during my father's final weeks. They provided 24 hour palliative care in a community setting. The care, supervision and coordination of service was excellent."
Mr. David Sprague, Client's son.

- "Lisa's assessment skills meant my mother got the right kind of care. It was a big relief to know that mom would be safe and well cared for in her own home."
Ms. Junkin, Client's daughter

- "Having care givers from Eldercare Home Health meant that I could feel confident about returning home from the hospital."
Mrs. Dix, Client

- "My father would never have been able to return to his own home if it hadn't been for Eldercare home Health. They helped organize his discharge and worked with his Doctor and his pharmacist to sort out his medications. And, of course, they've been providing excellent in-home care."
Ms. Brenda Gross, Client's daughter

80% of our clients come to us through referral, here's why...

- "We very much appreciate the prompt response and fine care provided by all of you. You brought comfort to my mother during her final days and hours and alleviated much of our stress as well, particularly since circumstances were such that we could not be in the city constantly."
Mrs. Chernos, Clients daughter

- "Most sincere thanks for all your help during the sickness of my Mother. Your support, kindness and understanding will remain with me always"
Mrs. Swan-Bérubé, Client's daughter

- "Thanks for your caring support during this difficult time. We are delighted with the service provided."
Ms. Kopstick, Client's daughter

24 hours a day:

- "It's been almost 3 years since you helped me discharge my friend Ida from a Nursing Home and began providing care for her in her own home. 24 hours a day, 7 days a week your staff have continued to provide consistent, compassionate and professional care. Your service is outstanding. I know Ida is in good hands"

Mr. Peter Holland, Power of Attorney

Trust:

- "We live out of town, so when it came time to find assistance for mom and dad I knew we needed someone we could trust. As dad's care needs increased and we needed full day and overnight care, you managed beautifully. Eldercare Home Health relieved our family's stress and allowed us to spend quality time with dad in his last days. Thank you."

Sherri Bateman, Client's daughter

Case management:

- "You met with us in the hospital and then came to the team meeting. Before my wife was discharged you did an on site safety assessment of our home. Once she was home you provided consistent, professional care. She improved right away - within the first week! I don't know of any other home health care service that does all that Eldercare Home Health does. We're very happy.
